FINE TUNED MUSIC & CUISINE

A SNEAK PEEK AT SAN DIEGO'S PREMIER NIGHTLIFE VENUE

Anthology is the setting for San Diego's premier combination of musical enjoyment, fine dining and contemporary style.

Located near Little Italy, one of the city's most culturally unique downtown destinations, Anthology is San Diego's ideal for a metropolitan night on the town. Anthology comes to life in the spirit of the classic '30s and '40s supper clubs, with a decidedly modern spin.

It delivers a culturally harmonious gathering of food, music, wine and ambiance in a 300-seat(600 reception) venue that manages to remain intimate. Offering a blend of open and private spaces, Anthology is equally enticing for groups and couples. Musical sounds revolve nightly, ensuring that there is something to suit everyone's tastes. The common thread between all those who visit Anthology is a love of music, expertly prepared food and alluring décor. A visit to Anthology will engage the senses and provide a memorable occasion for all.
